

Large Massage Lift Chair

LVA2017LGBRN

HCPCS: E0627

Perfect for seniors and those with limited mobility, the Vive Large Massage Lift Chair moves upward with a forward tilt to make standing up easier while reducing pressure on the knees, hips and back. The remote-controlled power lift chair features a durable metal base and powerful lift motor for a smooth, upward motion.

Relieving common aches and pains, the power lift and massage chair features five massage modes with two levels of intensity and a soothing heat option. An intuitive remote control also allows you to select the area to be massaged, including the upper back, lower back and thighs.
